A New Furniture Store For Hondo

After looking over the furniture situation here we decided to open up a first class Furniture Store, modern and up-to-date in every respect.

Of course, we could not get as large a house as we needed for the stock we will carry, but we will be able to take care of your business just the same. We will give you the best and newest the market affords and, of course, we realize that being new and unacquainted, we have to make our prices attractive to draw the trade, and this we have fully made up our minds to do.

In addition to this, if you have any old furniture that you would like to exchange for new we will allow you the best prices you can get anywhere as we have parties anxious to take all the second hand furniture we can get hold of.

Now, we are going to save you money and if you want to make the saving it will pay you to come around.

Free Bible Lectures.

The first of a series of 3 Bible Lectures to be given at the Opera House, one each Sunday at 3 P. M., will be delivered tomorrow Sept. 28th by Prof. Henry R. Moore, a representative of the International Bible Student's Association of Brooklyn, N. Y., on the Divine Plan of the Ages. The purpose of the different Ages and the fulfillment of the respective part of His Plan in each age will be explained.

Prof. Moore comes to us highly recommended as one able to give satisfactory Scriptural answers to many of the here-to-fore mystifying and perplexing questions. His Lectures are for the sole purpose of increasing interest in independent, individual Bible Study and a greater love toward us a deeper and broader view of His great love toward us. All sincere lovers of Truth and righteousness are desired to be present, no matter what their former belief may have been. Lectures undenominational.

A Sad Accident.

While breaking on the cars in the switch yards in El Paso, James Kendleion fell between two cars and was run over and killed at 9:45 o'clock A. M., Friday, Sept. 19, 1913. His remains were brought to Hondo Sunday evening and buried in the new cemetery at 2 o'clock Monday afternoon, Sept. 23rd. Rev. Father J. J. Myers, pastor of St. John's Catholic church, performed the funeral service.

The deceased was born March 28, 1883, and was the only son of Mrs. Broderick of San Antonio. He was married December 25, 1908, to Miss Laura Wantz of this place who survives him. He is also survived by a step-son.

Mr. X. Wantz and Mr. Albert Neumann went to El Paso Friday upon receipt of the sad news and accompanied the remains and the family back to Hondo Sunday.

The bereaved family have the sympathy of all who know them.

Married.

St. John's Catholic Church, Hondo, was the scene of a pretty nuptial ceremony early Wednesday morning, September 24, 1913, when Mr. Hubert C. Weynand led to the altar Miss Rose Hassier of Natalia. The ceremony that linked for all time the lives of these two happy people was performed by Rev. Father J. J. Myers in a most impressive manner.

After the services at church, a wedding dinner was served to a few intimate friends and relatives at the home of the groom's parents, Mr. and Mrs. Peter Weynand.

The happy couple left on the evening train for a short bridal tour to eastern points after which they will be at home to their friends in their new residence at Natalia where the groom is a valued employee of the Medina Valley Irrigation Co.

The Anvil Herald extends congratulations and best wishes to the happy pair.

PAIGE

1914 Wonder-Car-\$1275

So surely is the "Paige" a next year's car that designedly and on purpose, in advertising it, we omit certain features. The purpose being to avoid the suspicion of exaggeration. We prefer to reserve the entire strength of this wonder-car merely outlining to you some of the more remarkable features that you may expect when you come to see the car and try its virtues.

TO BEGIN WITH, motor-car "experts" predicted last year that the Paige-Detroit makers could never deliver a car such as they advertised, at the price quoted. Not only did they deliver just such a car at that time, but this season they have left the price untouched and still added more equipment: to-wit, Electric Horn, Jiffy Storm Curtains, Rain-vision and Ventilating Windshield, Non-skid Tires in rear, Ventilating Hood.

FIND SUCH COMPLETE equipment, if you can, anywhere else in the whole Paige price-field. And find such a car. Any Paige owner—and they are almost everywhere now—will tell you what a car, just as a car, the Paige has proved itself. Those who own a Paige are enthusiastic beyond words.

THE DESIGN, material, construction and equipment of the Paige "36" at \$1275 is a phenomenal value. It does not seem possible to put such a value into a car, by comparison with what other makers are offering this year, at anywhere near its price.

THE PAIGE "36" has 116-inch wheel-base, 34x4-inch tires, full elliptic scroll rear springs and a perfectly balanced distribution of weight that makes it as comfortable as any car you ever saw. The steering wheel is large and placed at an angle which gives the driver an easy, comfortable position. An auxiliary dash carries the equipment such as a speedometer, magneto switch, lighting switch, carburetor adjustment, convenient to the driver. Gear-shift and hand-brake levers are set in the center, just right for safe, easy handling.

THE PAIGE IS electrically lighted and started by the Gray & Davis system—the best made.

The Paige Motor is notable for its quietness, proving lack of lost motion, and showing perfect construction and assembly. But the motor is not only quiet and easy running—it is as nearly trouble-proof as any motor marketed today. Its self-starter is practically infallible. The Paige is at least a year ahead. Come see it. Study its details. We're always glad to show these splendid cars.

The Little Rifles—Big in Quality

YOU are going to buy a 22 caliber rifle, single shot or repeater—you'll find that many well known crack shot started with a Remington-UMC 22. Their advice now would be "By all means, get a Remington-UMC" because they know that there is a tendency in some quarters to look upon these models as only "a small boy's rifle" and to cheapen them so that they can be sold at a price.

You have just as much right to expect full shooting value in your 22 caliber arm as in your .25-06 game rifle.

You want the Remington-UMC single shot at from \$15 to \$17. 25-06 or 30-06 caliber, made by the same people who make the famous Remington-UMC Hunting Rifles.

Or, if you prefer the repeating rifle, the Remington-UMC shot arms, 22 repeating, while very like other repeating shot guns, showing 22 and 25 long range cartridges at 30 ft and a 1/2 in. bullet, have been declared the most popular small calibers in America.

Silver Wedding.

Saturday evening last Mr. and Mrs. John Weigert celebrated their twenty-fifth wedding anniversary at theiraway home in the eastern suburbs of town.

After the assembling of relatives and a few friends a beautiful ceremony by Rev. G. Lagren, pastor of the Lutheran Church of Knippa, Texas, which was very complimentary to those who have so faithfully fought life's battles together, in sunshine and shadow, and which undoubtedly brought back to their memory the day of twenty-five years ago. Mrs. Weigert wore an elaborate white wool dress while Mr. Weigert wore a handsome grey suit.

After congratulations were exchanged the guests were invited into the dining room, which was decorated in white with two hearts suspended over the center of the table, presenting a beautiful effect and visibly affecting the guests as they entered. The tables groaned beneath the weight of the sumptuous rounds prepared for the joyous occasion.

Mr. and Mrs. Weigert received some handsome silverware as presents from relatives and friends.

Those present were: Mr. and Mrs. Paul Vogt and family, Mr. and Mrs. Franz Weigert, Mr. and Mrs. W. E. Dunlap, Mr. and Mrs. Louis Hader, Mr. and Mrs. Kurt Lange, Messieurs Meete Bauma, John Bauer, Jim Apfalter, Misses Johanna Wenken, Emma Seuer, Meuse, Theo. Meuse, Newton Apfalter.—The Alpine Guide.

**Don't Sleep Well
No Good Reason
Just Can't Sleep**

Some people can't sleep. There seems to be no special reason. They have no disease of the nervous system. Suggestion is fairly good. Their habits are pretty good. They may smoke a little or drink a little, yet their habits are fair. Still they can't sleep well.

Just a little unbalance in the nerve centers. That is all. They should have a little "tightening up."

A tonic will generally do this. The right sort of a tonic. Peruna is exactly the tonic. Suggestion is次要的. The stomach is empty and ready to eat for the night. The circulation is equalized. The brain is relieved of all congestions and irritations.

The Peruna acts on every blood vessel in the system. It acts on all of the nerve centers. One begins to sleep and hardly knows why.

Take a teaspoonful of Peruna before each meal. Sometimes another tablespoonful at bedtime is necessary where the sleeplessness is very pronounced.

Just try it. nothing. You will be convinced if you do. One bottle will convince you. Peruna is the sleep medicine. It is not a nervous. It controls the muscles. It is nothing of that sort. It is simply a respiratory tonic.

Every home should be provided with the best form of the Peruna. Price of "Life" size free by the Peruna Co., Columbus, Ohio.

Rothe, dated —— 1912, filed June 10, 1912, for registration in said Medina County, and recorded in Book A, No. 47, on pages 430 and 431, of the Deed Records of said County.

Plaintiffs further represent and allege that they have a good and perfect title to said land and premises under and by virtue of the Statute of Limitation of (3) three years for the reason that said plaintiffs, and those under whom they claim by duly registered deeds, have had peaceable and adverse possession thereof under title or color of title for more than three years prior to the institution of this suit.

Plaintiffs further represent and allege that they have a good and perfect title to said land and premises under and by virtue of the Statute of Limitation of five (5) years for the reason that said plaintiffs and those under whom they claim, as aforesaid, have had peaceable and adverse possession of said land and premises, cultivating, using and enjoying the same and paying all taxes due thereon as the same

accrues, and claiming the title thereto under and by virtue of the above mentioned deeds of conveyance, duly filed and registered as aforesaid, for more than five years prior to the time of the institution of this suit.

Plaintiffs further represent and allege that they have a good and perfect title to the lands and premises under and by virtue of the Statute of Limitation of ten (10) years for the reason that plaintiffs, and those under whom they claim, as aforesaid, have had peaceable and adverse possession of said land and premises, cultivating, grazing, using and enjoying the same for more than ten years prior to the time of the institution of this suit.

Plaintiffs further represent that the title or claim of the said J. N. Berryman, and the unknown heirs of the said J. N. Berryman, if any, to the above described lands, is by virtue of a patent issued by the State of Texas, to the said J. N. Berryman on July 16, 1852, being patent No. 579, vol. 9.

That the title or claim of defendant W. H. Parsons, and the unknown heirs of W. H. Parsons, is unknown; that the title of defendant, Myra W. Parsons, and the unknown heirs of Myra W. Parsons, if any, is by virtue of a deed from defendant, W. H. Parsons, to said Myra W. Parsons, dated May 6, 1878, filed for record in Medina County, Texas, on June 27, 1879, and recorded in the deed records of said county in Book A, No. 12, on page 530; that the title or claim of defendant, Jacob Massina, and the unknown heirs of Jacob Massina, is unknown to plaintiffs; that the title or claim of defendant, A. P. Granger, and the unknown heirs of A. P. Granger, is by virtue of a deed from defendant, Jacob Massina, to the said A. P. Granger, dated March 21, 1878, filed for record in the deed records of Medina County, Texas, on June 11, 1878, and recorded in the deed records of said county in Book A, No. 11, on page 538.

Plaintiffs bring this suit for the purpose of determining the estate, interest or claim, if any, of each and all of the above named defendants, or any person or persons who may claim under them, in and to said lands and premises and that the court may adjudge and decree unto plaintiffs the said land and premises, free from any claim, title or interest of the said defendants, or any of them, and to forever settle by decree of court the title to said lands.

Wherefore, plaintiffs pray that said defendants, the names of part of whom are unknown to plaintiffs, and the residences of all are unknown to plaintiffs, be cited by publication as prescribed by the Statutes of this State, and that

upon final hearing in the case that plaintiffs have judgment of the Court, declaring and adjudicating the title to the above described lands to be in plaintiffs free from any and all claims in favor of said defendants, or any of them, and for such other and further relief, general or special, legal or equitable, to which plaintiffs may be justly entitled to.

And you will summon the said defendants to so answer the said petition by making publication of this citation in some newspaper published in Medina County, Texas, if there be any newspaper published therein, but if not, then in any newspaper published in the nearest county where a newspaper is published, once in each week for eight successive weeks previous to the return day hereof.

Herein fail not, but have you before said Court at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Don't Let Baby Suffer with Eczema and Skin Eruptions

Babies need a perfect skin-covering. Skin eruptions cause them not only intense suffering, but hinder their growth. DR. HOBSON'S ECZEMA OINTMENT can be relied on for relief and permanent cure of suffering babies whose skin eruptions have made their life miserable. "Our baby was affected with breaking out of the skin all over the face and scalp. Doctors and specialists failed to help. We tried Dr. Hobson's Eczema Ointment and were overjoyed to see baby completely cured before one box was used," writes Mrs. Stubler, Dubuque, Iowa. All druggists, or by mail, 50c.

AGRICULTURAL LAND FOR SALE!

Improved and Unimproved

In placing my holdings on the market, consisting of lands around Charlotte and Jourdanton, both improved and unimproved, I do so with the knowledge that these lands are most favorably situated and offer every convenience to those seeking homes. Within easy reach of every point are modern gins, well equipped schools, commodious churches, good roads lead everywhere, to nearby railroad stations and the best markets in Texas.

This property has not been offered earlier because these very necessary advantages were not to be had, but now they are a reality---nothing is left to speculation or future contingencies. Settlers now have all the advantages that can be found anywhere in a fully developed community without paying the prices that are asked in the older sections. You can have the benefit, for I am offering you the most desirable opportunity in Texas.

These lands are as good as can be had in South Texas; there are no better anywhere. Plenty of water can be obtained on any tract and shallow wells can be located at small cost furnishing an abundance of good water. The soil is fertile, there are no crop failures on these farms and no irrigation is necessary. No section of the state offers a more healthy or delightful climate, winter or summer.

Devine Items.

We are greatly pleased with our school. Have enrolled over two hundred and fifty students, and more to come yet.

The north door has been left open quite early, and we are now enjoying a breezy cool spell.

The Baptist Association convened here last week, closing Sunday night. There were about seventy-five delegates. Much good was done to the church in the way of a spiritual uplift. The visitors claimed to be royally entertained, and said many good things about the people here.

Mayor Fullerton's barn burned early last Saturday evening. He suffered a considerable loss.

The Devine High School boys organized a fall base ball team on Monday afternoon. Fred Bowman was elected captain, Lou Redus manager, Messrs. Haskell Kidd and Charlie Thompson secretary and treasurer. We are getting ready for any pure high school team in the country. Prof. J. W. G. Meadows is the general coach.

We are glad to state that Miss Willie Forester is rapidly convalescing.

Every body is planting oats in our section.

Mr. Burnett, the real estate man, has just returned from San Marcos where he was attending to business.

Loggins & Lily's new store will soon be ready to occupy.

The work that is being done on our streets and roads is greatly appreciated.

We like to read the news from the different parts of the country.

Woman Is As Old As She Looks

No woman wants to look old. Many in their effort to look take is that they visit the wrong doctor's prescriptions. Their mistake is that they visit the wrong department in the drug store. Beauty depends upon health. Women sleepless nights, headaches, pains, disorders, irregularities and the processes of a distinctly feminine character in a short time bring the full effect of the "crow's feet," the haggard look, drooping shoulders and the failing step.

To retain the appearance of youth you must retain health. Instead of lotions, powders and paints, ask your druggist for

DR. PIERCE'S Favorite Prescription

This famous medicine strikes at the very root of these enemies of your youthful appearance. It makes you not only look young, but feel young. Your druggist can supply you in liquid or tablet form and send 50 one-cent stamps to Dr. Pierce's Invalid Hotel and Hospital Institute, Buffalo, N.Y., and trial box will be mailed you.

Every now and then the writer of this hears or reads something about a terrible war waging on the "Jack Rabbits" in other localities, which sounds somewhat similar to the way the Indians used to do, for they're always after their scalps. Until now jack rabbits of this section have had little disturbance of peace and it is to be feared that those which escape death at the other places will take refuge at this place. But should they settle this part of the country too thickly, then we will call for "volunteers" and then good-bye for you, Jack Rabbits.

Dumplings

For Soups, Stews and Fricassee Chicken

Left overs of roast lamb, veal or beef, the cheaper cuts of fresh meats, and fowls too old for roasting, make delicious and nourishing stews. K C Dumplings make them doubly attractive and the whole dish is most economical—an object to most families while meats are so high and must be made to go as far as possible.

K C Dumplings

By Mrs. Nevada Briggs, the well known baking expert.

2 cups flour; 3 level teaspoonsful K C Baking Powder; 1/2 teaspoonful salt; 1 cup shortening; milk or cream.

Sift together three times, the flour, baking powder and salt; mix into this work the shortening and use cream or milk to make a dough less stiff than for biscuits.

Allow the stew to boil down so that the liquid does not cover the meat or chicken.

Add half a cup of cold water to stop its boiling and drop the dough in large spoonfuls on top of the meat or chicken. Cover and let boil again for 15 minutes.

Made with K C Baking Powder and steamed in this way, dumplings are as light as biscuits and are delicious with thickened gravy.

This recipe is adapted from one for Chicken Pot Pie in "The Cook's Book" by Janet McKenzie Hill, editor of the Boston Cooking School Magazine. The book contains 90 excellent recipes for things that are good to eat and that help reduce the cost of living. "The Cook's Book" sent free for the colored certificate packed in every 25-cent can of K C Baking Powder. Send to Jaques Mig. Co., Chicago.

The Use of Calomel Practically Stopped

For Bilious Attacks, Constipation and all Liver Troubles. Dangerous Calomel Gives Way to Dodson's Liver Tone

Every druggist in the state has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is often dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," says W. H. Windrow.

Dodson's Liver Tone is personally guaranteed by W. H. Windrow who sells it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of sluggishness, you have only to ask for your money back. It will be promptly returned.

Dodson's Liver Tone is a pleasant tasting, purely vegetable remedy—harmless to both children and adults. A bottle in the house may save you a day's work or keep your children from missing school. Keep your liver working and your liver will not keep you from working.

A Very Pleasant Surprise.

A pleasant surprise was given at the home of Mr. and Mrs. Albert Bendele in honor of Miss Louise Bendele on Monday night, September 22nd.

Those who attended were: Misses Laura and Irene Bihartz, Nettie and Ettie Blackburn, Martha Bippert, Lola Britz, Sybilla Bendele, Messrs. Louie and Henry Biry, John Blackburn, Oscar Bihartz, Arthur Haass, Otto, Eddie, Rudolph and Louis Bendele and Albert Neuman.

At midnight lemonade and delicious cakes were served. The evening was enjoyedably spent playing games. At a late hour all returned home and reported a delightful time.
